PREMIUM HIGH EFFICIENCY Laundry Detergent

With Color-Safe Bleach & Enzymes

This low sudsing formulation is specifically designed to be used with front load washing machines, without having to worry about excess suds overflowing, which can damage front load washing machine components.

Fast... soil and stain remover
Delivers... brighter whites and colors
Safe... low sudsing formulation

FEATURES

- Premeasured Water-Soluble Pouch – provides effective cost control, one pouch per wash-load. Eliminates spills and overuse of bulk powder and liquid detergents.
- Contains Protease Enzymes – which are useful in removing common household stains such as blood, grass stains, milk, gravy, etc.
- Odor counteractant ingredient – eliminates perspiration and other odors from laundry

USAGE

- So easy to use... just drop unopened pouch into the washer... add the laundry... start the cycle.
- Works best in warm or hot water
- Use one ¾ oz pouch of #431 for 18 to 20 lbs. of moderately soiled laundry.
- For best results on really tough stains; stop the machine during the wash cycle for 10 minutes, to allow the enzymes and (non-chlorine) color-**safe** bleach some extra time to work on the stains.

ENVIRONMENTAL

- Doesn't pollute waste water
- Biodegradable and Phosphate Free
- Cartons and pails are recyclable

PHYSICAL and CHEMICAL PROPERTIES

COLOR:	White	PHYSICAL STATE:	Powder
pH:	1% Solution: 11.0	ODOR:	Lemon Scent
